## EPITOME OF THE WEEK.

Interesting News Compilation.

### XLVIIIth Congress.

TUESDAY, JAN. 15.—Petitions were presented in the Senate for a Constitutional Amendment granting suffrage to women, and to permit colonies of families to lay out villages on public lands. There was considerable discussion on Mr. Anthony's resolution concerning the proscription of American imports in Europe; Mr. Logan favored open retaliation, and Messrs. West and Ingalls thought a thorough system of inspection by the Government would have a salutary effect. No action was taken. In the House bills were introduced: For the retirement of Alfred Pleasance as Major-General; appropriating \$1,000,000 to close the gaps in the levees of the Mississippi; to make all public roads and highways post routes, and to authorize the President, during the recess of Congress, to prohibit importations injurious to the public health, by way of retaliation.

Wednesday, Jan. 16.—In the Senate a bill was passed restoring to the public domain the lands granted to the Iron Mountain Railroad. Mr. Miller (N. Y.) introduced a bill to provide means to extinguish pneumonia. Mr. Plumb submitted a joint resolution proposing an amendment to the Constitution prohibiting the manufacture or sale of intoxicating liquors in the United States. An order was issued excluding liquors from the Capitol restaurant. In the House bills were introduced appropriating \$1,000,000 to improve the Erie Canal and maintain it free to commerce, and to authorize the construction of a ship canal around Niagara Falls. The House and Senate bills appropriating \$1,000,000 for improvements on the Mississippi River were reported from the Committee of the Whole.

THURSDAY, Jan. 17.—A petition was presented in the Senate for the appointment of a commission on the liquor traffic. Bills were introduced to establish a Board of Interstate Commerce, and to secure reasonable rates of transportation over railroads aided by the Government. In the House the Senate bill appropriating \$1,000,000 for continuing the improvement of the Mississippi was passed by a vote of 215 to 64. A communication was received stating the Marine Hospital at Erie, Pa., to the Government for a home for soldiers and sailors. A bill was reported to grant a pension to the surviving grandchild of Thomas Jefferson.

FRIDAY, Jan. 18.—In the Senate a message was received from the President recommending that a relief expedition be dispatched for the Greeley party, and asking that immediate action be taken in the matter. In executive session the Mexican treaty failed for lack of one vote. Adjudged to the 21st. In the House the day was consumed in debate on the Pitts John Porter bill in Committee of the Whole.
